COVID-19 RESPONSE: "WE CAN-WE WILL"

As on May 1, 2020: Coochbehar District

Highlights from the Ground:

Our team has started working for distribution of essentials like rations and personal hygiene kits among 60 hard core poor families of Coochbehar District. A large section of backward areas as well as closed tea garden areas have been severely affected. We are extremely happy to get a chance to support them.
