COVID-19 RESPONSE: “WE CAN- WE WILL”

As on April 22, 2020: Hooghly District

Highlights from the Ground:

We are extremely happy to distribute daily necessary ration like Rice, Dal, Mustard Oil, Turmeric, Salt, Soyabean etc. among 75 Daily Waste Collectors (Paribesh Bandhu) of Hooghly District. Honestly it was not possible without your unconditional love and support. We believe that together we can win this battle against corona virus to bring back smile in their faces.
