## COVID-19 RESPONSE: “WE CAN- WE WILL”

As on April 24, 2020: Purba Burdwan District

### Highlights from the Ground:

Hand Washing is a very important weapon for all of us to fight against Corona Virus. It is important to use Hand Sanitizer or Soap to wash our hands. We have given Soaps to 75 adolescent girls of Ketugram 1 Block under Purba Bardhaman District and we showed them the correct ways and steps of Hand Washing. Now they can teach their friends & family members regarding the ways and importance of Hand Washing which will keep everyone safe.
