

From the Ground 8

COVID-19 RESPONSE: “WE CAN- WE WILL”

As on April 29, 2020: Jalpaiguri District

Highlights from the Ground:

We almost lost our words when we came to know about the Roy Family of Bou Bazar area of Jalpaiguri District where two senior members – Mr & Mrs Roy are living with 100% physical disabilities. A family of 8 members are completely dependent on Mr Roy’s nephew who works as a helper of a Truck Driver. In this present scenario of lock down, his little earning has stopped and the whole family is now in deep trouble. We are extremely happy to get a chance to help them with some ration like Rice, Dal, Potato, Mustard Oil, Salt, Sattu, Biscuits, and Soybeans. Beside this, we have bought their essential medicines and sanitation kits like Soap & Mask.
